

Rennie Alston
Head of Global Trade Compliance

Rennie Alston is the Global Compliance leader for Transportation Insight, a multi-modal Enterprise Logistics Provider that is licensed by the Federal Maritime Commission as an Ocean Transportation Intermediary and Ocean Freight Forwarder.

Regarded as an expert in Customs Regulatory issues and Compliance Management, a licensed customhouse broker and Global Security Specialist, Rennie has more than 30 years of interactive work experience with the Bureau of Customs and Border Protection. He has more than 20 years of experience conducting New York State Board of Education and college accredited courses on U.S. Customs Regulations and Documentation and workshops focused on Customs Brokerage License Preparation, Import Export Compliance and Customs Entry Preparation. He is a professor and professional practitioner at Baruch College in New York City, NY, and he serves as a guest speaker and instructor for the American Management Association on platforms including global security initiatives and international trade compliance management.

Through the Academy of International Development, Rennie conducted training forums on U.S. Customs regulatory procedures and compliance practices for Customs delegations from Brazil, Nepal, Singapore, India, Republic of Georgia, Armenia and other members of the World Customs Council. Rennie received his Master Certification from the International Chamber of Commerce as Master trainer of the International Commercial Terms in 2010, and he has provided Incoterms training for United National global purchasing and procurement managers from all four regions of the globe. He continues to provide customs regulatory expertise and consulting representation to global corporations, including BMW North America, Pfizer, Case New Holland, Amgen Inc., Glaxo Smithkline, Mars M&M, Apparel Holdings Group, Loreal, Engelhard Corporation, BASF, Tommy Hilfiger and many more.

Rennie began his career with United Customs Inc. as an import manager before becoming senior account representative for The Wilson Group. He was Brokerage Manager for Nippon Express USA for nine years. Rennie is the chief executive officer of American River Group of Companies and President of American River Brokerage Services Ltd. He is founder, CEO and president of the Alston Group.
