

**Rick Brumett**  
**Vice President, Client Solutions**  
**Transportation Insight**

Rick Brumett is Vice President of Client Solutions at Transportation Insight, a leading enterprise solutions provider that delivers end-to-end supply chain visibility and control with Tier One North American Truckload, LTL and Parcel logistics solutions, international freight forwarding, warehousing services, transportation management system technology (TMS), freight invoice audit and payment, business intelligence, Supply Chain Analytics and LEAN consulting.

Brumett has more than 35 years of logistics, transportation, warehousing and supply chain management experience. His skillful knowledge of global transportation networks, warehousing, network design, and retail distribution establish him as an expert in end-to-end supply chain solutions. Brumett's International Trade Compliance Certification in import/export enables him to engage with customers as a licensed freight forwarder capable of identifying new areas of risk during uncertain times of increased enforcement by U.S. Customs and Border Protection.

He provides thought leadership and best practices around carrier sourcing, transportation cost reduction, web-based Transportation Management Systems (TMS), warehouse management systems (WMS), freight bill audit and payment services, Supply Chain Analytics, business intelligence reporting, LEAN consulting and supply chain sourcing of indirect materials. His consulting services create winning solutions that help companies maximize profits, improve client's cash to cash position, enhance customer service, boost visibility and gain more supply chain control.

Prior to Transportation Insight, Brumett was Director of Supply Chain Services at Arkansas Best Corporation and ABF Freight System, Inc., where he launched warehouse and international service initiatives. He also worked as the Executive Vice President at Wagner Industries, a Top 50 3PL Service Provider and Vice President/General Manager at Integrated Distribution, Inc. Brumett graduated with a Bachelor of Science degree in Public Administration and a Master's Degree in Business Administration from the University of Arkansas at Fayetteville.

### **About Transportation Insight**

Transportation Insight is a multi-modal, lead logistics provider with more than \$1.7 billion in gross annual revenue. For nearly 20 years, the Enterprise Logistics Solutions Provider has partnered with hundreds of retailers, manufacturers and distributors to achieve significant cost savings, reduce cycle times and improve customer satisfaction rates by providing customized parcel and supply chain solutions. Transportation Insight offers a Co-managed Logistics<sup>®</sup> form of 3PL, carrier sourcing, freight bill audit and payment services, state-of-the-art transportation management system (TMS) applications, parcel technology platform (audit, engineering, advanced analytics) and business intelligence. Its logistics services include domestic transportation, e-commerce solutions, supply chain analytics, international transportation, warehouse sourcing, LEAN consulting and supply chain sourcing of indirect materials. Headquartered in Hickory, NC, Transportation Insight has secondary operating centers in Atlanta, GA, Bentonville, AR, Boston, MA, Charlotte, NC, Omaha, NE and Salt Lake City, UT, as well as more than 50 client support offices across North America.
